

INTRODUCTION

The team specializes in creating exceptional culinary creations, with menus that showcase their culinary artistry. Each menu tells a unique story with unexpected combinations. The dishes are prepared using the freshest seasonal produce and sustainable ingredients.

Based on the dishes, the sommelier has curated a special selection of wines, focusing on France from classic French wines to lesser-known wineries. Additionally, the sommelier has assembled a rich selection of wines from around the world. Renowned wineries, hidden gems, and exclusive wines are chosen for their exceptional character, quality, and sustainability.

In addition to wines by the bottle, guests can opt for a wine pairing experience that stimulates all five senses. This journey takes you through France, with each dish accompanied by a French wine from a distinct region, carefully selected to create perfect harmony with the flavors of the cuisine.
