

S E N S E S

restaurant

Introduction

The team is specialized in creating unconventional menus, which highlight the culinary artistry of the team. Their menus all tell a story and contain unexpected combinations. The dishes are made using the freshest seasonal and where possible sustainable ingredients.

Based on the dishes, the sommelier has made a special selection of wines from all over the world.

Well-known wineries, lesser-known and special wines are selected for their exceptional quality and durability.

In addition to the wines by the bottle, it is possible to guide you with a wine paring which stimulates the five senses in combination with the tasting menu:

Wine paring:

7 - courses € 63

6 - courses € 54

5 - courses € 45

4 - courses € 36

3 - courses € 27

2 - courses € 18

With hospitable regards,

Your sommelier
